Everyone loved the food, and your group really cleaned up for me. Thanks so much. I hope you weren't here too long. I also have a wine holder and some ear muffs that I think belong to Jennifer. I would be happy to take them to her if I knew where. Thanks again and see you for the Grinch breakfast.

Bill,

Just wanted to let you know that Abby G. will be calling you soon about working for you. She is the KU girl that was here at our party. Again, I can't tell you how much people have RAVED about the food at our party! Thanks for being so flexible with us on payment. It really helps the ole expense account!

Sheila T

Debbie,

I have tried and really really enjoyed Blue Moon Caterers. Bill Rowe is who I worked with and I believe he is the owner. They were reasonably priced, they set it up, it was wonderful food and they cleaned it up afterwards. I will use them in the future for any and all meetings that I have. Let me know if I can be of further assistance.

I just wanted to drop a note and let you know how pleased we were with the breakfast banquet. Everything worked out very well. We got a lot of compliments on the quality of the food. We all really enjoyed ourselves. I haven't gotten to talk to our accounts payable person, Sandy yet but she has the credit card for the tip for the wait staff. I would also like to say that your wait staff did a wonderful job keeping the drinks up, and everyone seemed to be well taken care of. I know how hard that is sometimes, I use to work at a restaurant. They were very nice and made us feel right at home.

We would like to continue to use your services for our breakfast banquets, and possibly some other functions that we have during the year.

We were thinking about having another breakfast July 11, which is a Wednesday, we would need this done at the same time 6:45am. The only thing that I was wondering, if on the menu that you have for the buffet if there would be a possibility to include white gravy, I did have some ask me if that could be included, Since they line biscuits and gravy.

Again we do want to thank you for everything. And we will see you next time

Bill,

Thanks for your help with the Faculty and Staff Luncheon this past Thursday. The food was great and everyone really raved about how delicious everything was! I think they really felt appreciated! It was nice to meet you and I appreciate your efforts to make the lunch a success.

I think I am on the hook for next year...I opened my mouth about a suggestion and I think I inadvertently volunteered myself... are you open to catering it again in the same fashion or would you like me to find someone else to volunteer? Your call!

Thanks again for everything.

Bill,

Thanks so much for putting together such an elegant affair - it was truly magnificent. Everyone had a great time and was quite impressed with the event.

The person at the front desk at the Wichita Center for the Arts had 3 - 4 wine glasses to be returned to you and he said he would leave the table cloths and the glasses in the kitchen. I have a call into Alison to check on these items. Thought this would be the best scenario in case you needed them for another event soon.

I look forward to working with you in the future!

Best regards,
Pat

Bill,

Thank you for calling to follow up on our party. Everything was wonderful. The service was first-class and the food was great. Many guests commented on the display.

I have attached a picture of my in-laws (as the party was in my mother-in-laws honor). I thought it was good way to show your van also. I took it myself so feel free to use it if you want to for promotional use.

Thanks again.

Laura Z.

The more I think about the night our success really was topped off by your exemplary professionalism and service. It was a relief for me to not have to worry about the food part. Thanks again.

Kevin P

Just wanted to let you know that your catering job was great as usual. Food was good, service was prompt and all details tended to. Terry Newman of Papa John's said your dessert bites were wonderful!

Dori B

Bill,

I just wanted to thank you for the excellent spread that you prepared for us on Tuesday evening. It was just what we wanted, and much appreciated by all who came.

Janet

Bill,

I got your message, and yes we were on a tropical island. You guys did an amazing job with our wedding. Numerous people commented on how great the food was, and the service was wonderful. Marge did an excellent job, and the place looked great. We were completely satisfied. Thanks for working with us. We will recommend you to anyone catering an event.

Kara and Andy M.

Bill-

I got your message – everything was great last week! You got rave reviews from everyone! I spread the word about how good everything was so I'm sure you'll be hearing a lot from us! Thank you so much for all of your hard work. --Kendra

THANK YOU SO MUCH for all the work you and your staff did to make our event successful. I have heard numerous comments today from staff people about how much fun the event was and how good the food was. Everything looked delicious, was very well presented, and of course it TASTED delicious! Please feel free to use me as a reference if you have prospects who would like to talk to someone who has been a client.

In my previous positions at various Wichita companies, I have worked with numerous caterers, with the accompanying delights and disappointments -- and I can say with no hesitation that Blue Moon is an anomaly as a catering company which delivers not only delicious food and drink, but operates professionally and understands deadlines, costs, planning, and working together to maximize the success of an event.

I look forward to working with you again should the occasion arise. Charlene handles our holiday open house, but naturally should I plan another special event requiring food and drink that I know will be elegant, and delicious, I'll think of you immediately.

Tammy

Bill

You and the crew were well worth every penny. Please tell them all Thanks you from the Beckers.

Vic

Thanks again to you and your staff for the amazing work you provided at our Young Leaders event. We received many compliments from our guests on the high quality food & service. We look forward to working with you in the future.

Kindra G.

You and your crew did a wonderful job. Multiple compliments. Thank you. I will get this invoice paid this week. Thank you again. I look forward to the holiday party.

DeAnna @ Hinkle

Dear Bill,

Now that the dust has settled and everyone has gone home I wanted to take a minute to tell you just how thrilled Tammy and I were with all the arrangements for the reception. We received SO MANY compliments on the food and people wanting to know who had done the catering, and we were more than happy to pass on your name to them. Thank goodness there was some food left to take home because I never did get more than a quick bite the entire afternoon - too much talking, I guess.

Besides the fact that the food was delicious our biggest and most appreciative compliments go to your staff. They were so efficient, courteous and attentive to every little detail. When our son and daughter-in-law decided that they would greet people at the door one of your staff members made sure they had something to drink and eat as long as they were there. They made sure everyone got one of the little bags of M&Ms that we had put in a basket for people to take home. I know that you probably expect your staff to do these types of things as just "part of the job" but I have been to enough parties and receptions over the years to know that this type of service and dedication is rare. And then, to top it off, they acted like they were really having fun! We were so impressed and so proud to have them helping us. Please pass this on to your staff and tell them "thank you" for us!

Sincerely,
Ken and Tammy B.

best regards,

lori

AWESOME AWESOME AWESOME Food and staff you sent my way!

I cannot even say thanks enough. People are still talking about the wonderful food (all were shocked I had it catered) and the wonderful staff.

Can u send me first and last names of staff so I can send them each a card and what address I should send them too please?

I assume you are still working on my bill which scares me! LOL

Thanks again and I hope the staff enjoyed us as much as me and my guests enjoyed them and hope it did not get too wild!

i just wanted to say thank you for the fabulous job you did for us at our party. No. 1 the food was absolutely delicious and your help was so attentive and friendly and you could tell they wanted everyone to enjoy themselves. This was our first catered event but it wont be the last ----you made it a party to remember. oh well, at least some of it i remember this morning, ha! thanks for all your hard work. steve

Bill,

Thank you, Thank you, Thank you... I can not say it enough. The service, food, and staff could not have been more perfect. Everything was wonderful. I so appreciate all of your help and hard work. You made the evening flow smoothly. I wanted to share just a few of the many compliments that I received from Attorneys and staff about our Holiday Party and your food. They are below.

I could not have done it with you. Thank you again. I only wish you didn't get such a difficult time from the Venue. I will do what I can to help with that regard. I processed the invoice for the wine, you should have it by the end of the week. Have a very Merry Christmas and Happy New Year. I look forward to working with you again.

"It was the best party the firm has ever had, in my opinion."

"The venue was great, food was very good and entertainment was fun."

"I just want to express my thanks to those responsible for planning and managing last night's party. It was great! "

"They beat me to it, but the party was so lovely I was stunned. The string quartet - super. Food, venue. It was a real break in the Christms rush to just enjoy some fun and great food. It will be hard to top, but repeating it would be fine with me!"

Hi Bill,

Once again, great job last night! It looked like everyone enjoyed the great food. Am I correct in assuming that you will send me a bill for the actual amount? When you do, please go ahead and bill us for a 15% gratuity as well. Thank you, and I hope the rest of your events this season go as well as ours did (with no further breakage!). H

Bill,

Just needed to reiterate how amazing it was to work with you and Blue Moon for my wedding. You made my life as a bride so much easier and my wedding so much more enjoyable and stress-free. Thank you for your excellent work and time and attention. I received nothing but compliments after the wedding on you, your staff, the food, and the displays (Not that I expected anything less!).

Sincerely,

Tessa H.

Byron

Thanks again for providing the great food for the Wagonmasters event Saturday night.

Damon

Bill-

Thanks so much for yesterday. Everything was great, as usual. Marge does such a good job. I passed your menu on to the Sports Commission, who offices in the back of our area. I shared some leftovers with them. They said they had never used you as a caterer, and I said they should try you sometime.

Thanks again for working with me.

Dori

Thanks so much for everything. It was a great success!

LaWana

Bill

Again – thank you for the beautiful food, excellent service, and elegant set-up. Blue Moon was such a big part of our wedding – it was a very good decision on our part!

Because all of our vendors were so great, we are passing along yours and their info to each other:

Susan's Florals

Teresa & Daron

The reception went great. The food was amazing and EVERYONE complimented on it. You guys did a great job. Everyone loved the martini drink too. I think we should have gotten more because it went really fast. You guys did a great job of cleaning up and getting everything out of there on time. I only wish that there were some leftovers to take home :(We went on our honeymoon on Monday so I'm sure they would have gone bad in our refrigerator anyway.

Thank you for everything and tell Bill we said thanks for working with us and stopping by.

Mandy

I am writing to compliment your service this weekend at the xxxxx wedding. The food and service were wonderful....one of best weddings I've been to in a long time. The staff was great, and the food tremendous. Thank you for a great time.

Heather T.

Dear Anne,

Thank you so much for all your help with getting everything (including me) organized for Jay's and Sarah's wedding reception. The food, the service, the help with planning, all of it was wonderful. We got lots of comments about how delicious, organized, & attractive everything was.

Karen Kimmel

Hi Anne,

Our wedding reception was fabulous! All of our guests were raving about how good the food was. We can't thank the staff that was there enough - they did a great job!

Thanks so much for the great service and delicious food!

Melissa and Brian C.

Anne, Sorry it's taken a while to get back with you but everything went splendid! We got a lot of great compliments on the quality of food and service. It's always a pleasure doing business. Thanks!

Kindra

Anne~

We honestly couldn't have been more thrilled with how we were taken care of and the food was fantastic.

You guys ROCK!

We are glad we found you!

Rhonda

It was awesome!!! We got soooooooo many complements on the food, the display fo the food, the taste of the food. And it was so nice to have someone to do all that work! Corey and KayLynn (I think that was her name) were terrific. Very consciensous, very polite, very fun, and very professional. Many of our guests asked who the caterers were, so hopefully you will get more business from such a job well done!

Thanks again for you and your team!

Dana

Thank you so much for checking. I meant to contact you as soon as we got home, but getting back to work soon became my priority.

We could not have been happier with Blue Moon! Your staff was, without exception, the friendliest and most helpful we have ever encountered. They went out of their way to make sure everyone was comfortable. The wedding party was late arriving which pushed back the serving time. However, some of the guests who arrived before the wedding party were young, hungry children. Thanks to your staff, they were able to go ahead and get something to eat. When the rehearsal dinner was over, your staff wouldn't let either me or Scott lift a finger to help and insisted on getting everything packed up and ready for us.

I cannot say enough wonderful things about the food!!!! People were still talking about how wonderful it was before we left Wichita on Sunday. (Of course, I told everyone I had spent all day Friday cooking - HA!) Seriously, I had people tell me they thought the "steaks" or "filets" were the best they had ever eaten! Some really did think they were filets of beef, and I just let them think that. Both the beef and chicken were perfectly seasoned as were the vegetables.

The tables had been set exactly as I had pictured them! I really have not a single complaint from Blue Moon. You work for a top-notch company, and I feel the quality was exceptional. I readily shared your name with anyone who asked who catered the dinner.

It was a joy working with you; I regret that we didn't have a chance to meet in person. If you ever need a testimonial, I'm full of compliments for Blue Moon and would be honored to provide your group with a formal, written one if you should need one from someone who worked with you online and out-of-state.

Thank you again so much for making "my part" look and taste perfect. I was very proud of the food which was served and the way it was served. Bravo to you and your staff. You have my eternal gratitude.

You made the groom's family look good!

Martha K

Anne-Marie,

I can only say great things about the promptness, service and of course the food itself. Everyone seemed to really enjoy the Mexican Buffet. One thing that I really appreciated is all the little extras you provided like water, tea, plenty of ice and even fresh lemons.

I just started working at AOS this week and would like to have a copy of your catering menu for my files for future reference.

Thanks again,

Darci Richardson

You know I WILL as you all rock and I would N E V E R and you can quote me.....NEVER call another caterer!!!!!!!!!!!!!!
Happy Holidays to you and yours!
KERRY

Thanks Bill. Again, an outstanding job.

Thank-you Bill-
Everything was excellent and Dr. Schurman is going to make sure this gets taken care ASAP.
Thanks again

Naomi

Thank you for helping us make our day great! You have been great to work with!

Colleen, Lance, and Peyton

We were 100% satisfied with the meal, servers, presentation and team leader. I have an e-mail list of 400 ladies I will be sending my compliments on your company. Thank you so much!

Susan L.

Dear Bill,

Hello!! A+ job with our event. You and your team did an excellent service to our YMCA families. I will get you some possible dates for next year soon. Have a great summer and successful year.

Kevin

Bill and Blue Moon Staff,

Thank you so very much for the beautiful food and service.

You have certainly been a big part of making our wedding day very special.

T & D

Bill,

As usual everything was perfect. Your staff, as always, did an excellent job. The two young ladies that closed it down were of great help during our clean up. I really appreciate everything, there have been a ton of compliments about how wonderful the food tasted. We are having a check cut today. I will try to drop it off tonight or first thing tomorrow at the store. Does that work for you?

Just wanted to pass along that I thought the food served at today's Holiday Luncheon was delicious. Thank you.

Anne:

Thank you for the invoice. I've submitted it to AP. You should be receiving a check.

We truly appreciate your work. The event was a success in large part to the quality of the food you provided. Please pass along my appreciation to Bill.

Best regards,

Bryan

It was perfect.....everyone commented on how delicious the food was and I must say that every time I have used Blue Moon, that has been the case. It's always fresh and very well presented. I **VERY** much appreciate that....it makes me look good and you guys are doing all the work!

Your staff is so attentive and friendly that I can actually sit back and enjoy the event instead of running all over trying to take care of things. They are very good at what they do. It was refreshing to me to see the same gentleman (I can't remember his name) running this event that did the last event we had here. That tells me that your people are treated well and like to work for Blue Moon.

I will, and have, referred business to you many times. You are my favorite caterer!!!!

Thanks again,

Debbie

Bill—

I've been meaning to let you know how much I appreciated the service and catering Blue Moon provided for my wedding last August 23rd. The food was excellent, we have received so many wonderful compliments since then!! Your staff went above and beyond with the set up, it made the whole day less stressful.

Thank you.

Sarah

Bill,

Just a much deserved round of applause for the exceptional dinner and service you provided to our guests on Saturday.

Your passion for what you do was clearly evident and appreciated by everyone. We felt totally overwhelmed and spoiled! I have been singing your praises! Thank you again for your very generous contribution to Collegiate!
Claudia and Randy

Hello~!~

I wanted to take a second to say thank you for catering our staff lunch. It was wonderful!!!!...I gave Corey the \$180 gratuity so we should be all good...the highlights were the Tomato Bisque and the Corn Fritters!!! Ha!...Thanks again!

Dear Bill,

How can I thank you and your staff for the part you played in making my retirement reception so special?!!

I absolutely was not expecting anything that elaborate. Your Brunch food just set the tone for the event, and I felt extremely honored!!!

Besides the delicious food, the pineapple tree was a huge hit. It was a nice treat, not only for me, but for the wonderful volunteers who keep Botanica going!

Whenever I knew you were the caterer for an event at Botanica I knew it would be successful and your (our) clients would have a memorable and good experience.

I will continue to spread the word about Blue Moon Caterers.

I hope you know how much I appreciate you making my day so very special!!!

Thank you!

Nancy P

OH WOW...the cajun lunch was FANTASTIC....
We'll do that again!!!!

Bill,

Just a note to tell you that your staff did an amazing job for us last night!. The food was fantastic as always and there were a lot of compliments! Thank you again for working with us on the event and please be sure to let the staff know again that the service was A+++.

Bill,

I have prepared a check request and will forward to accounting for payment right away.

Let me just say what a wonderful evening we had. Everything was done "1st Class". The food and presentation was fantastic, as was your staff. All a great contribution to making our night a complete success.

You were right, the little bacon wrapped stuffed dates were the hit of the evening. One gentleman said we could lead him around by his nose for a plate of those. :O) Not exactly a pleasant visual but thought it was pretty funny.

We are already looking forward to the next time Blue Moon serves us.

Have a great day.

D

p.s. breakfast looked great this morning as well.

Hi bill,

Thank you for your email. I will send in the remaining balance and gratuity when I get back from my honeymoon next week. I hope it is okay that I send a letter of recommendation as well. I couldn't tell you how many compliments I received on the food and your staff. We had an extremely good experience with your company.

Thanks!

Rachael

Thanks Bill! Everything worked out so well and your cake cutter was especially helpful when my husband and I couldn't get our piece of cake out when we cut the cake for pictures! We will get a check out to you and your staff this week!

Thank you so much for all your hard work!!

Megan

Bill

The meal was awesome and your staff did a wonderful job like usual. Thanks again for everything. You all got lots of compliments.

Bill & Margie

Thank you for catering our event again this year. As always the food was delicious and everyone really enjoyed it. You both do an amazing job! We look forward to working with you again next year.

Sincerely,

Kevin and Sarah

Janis Mertes

Thanks Bill for all your help! I was told you guys did an outstanding job. We look forward to continued business with you in the future.

Dear Bill,

Just wanted to let you know how much we enjoyed and appreciated your crew. More than several people commented on how wonderful the food was, and this was a seasoned BBQ crowd. Our servers were better than excellent, and most importantly, my wine glass was never empty! The groom's mother said this was the best and most fun wedding she'd ever attended...which I think is the highest compliment you could receive. Everyone was satisfied, every need was met, and every trouble shot. The linens turned out fine, and I still can't figure out that mystery, but everything happens for a reason. The fact that I had 4 blue napkins at home the very same shade of blue we needed is a miracle. So sorry for any confusion; I know you had a terribly busy day.

We will continue to enthusiastically recommend Blue Moon Catering to all our family and friends.

Sincerely,

Julie Baergen

Thank you very much. The staff was very friendly and completely on top of things. We truly appreciate working with such a wonderful company like Blue Moon.

Our auction was a huge success, raising over \$28,000 (which Cargill will match).

Thank you again and we look forward to working with you in the future.

Anndria O'Beirne

Thank you. The bartenders were wonderful!!! So nice to work with. Thanks again for everything.

Also, one of your coolers was left here. Our offices are open 8:30-5:00 Monday through Friday and 1:00- 5:00 Sat- Sun if you would like to come pick it up.

Molly Tully

Thank you!
The meal was great!

Thanks. The food was amazing and the team awesome! I know the tip was added into the total, but I threw in some extra, it was deserved because they helped make our event a success as they interacted with everyone so fantastically. Please extend our thank you to each of them.

Bill,

I just faxed you over our sales tax exemption form. Let me know if you don't get it.

Thanks again for all your hard work for our event. It was a great event and if you ever need anyone to serve as a reference for potential clients I would be happy to do that.

Laura Hartley

Kansas Sports Hall of Fame

Dear Bill,

Many thanks to you and your staff for making Sam's 50th birthday celebration a memorable one! Everything was delicious, your staff was professional and courteous, and the presentation was beautiful.

My best to you always,

Bill,

I just wanted to thank you for the outstanding service your company provides. Not only was the food fabulous, the presentation and service were impeccable.
We have received so many compliments regarding how great everything turned out at the reception and that is due in large part to Blue Moon.

Thank you again for making Sarah's day even more special.

Laura

Bill & Team,

Thank you so much for an excellent event. The food was excellent and the service was outstanding!

Thanks,

Josh

Dear Bill, Marge, Eliza, and others,

Thank you for helping to make April and Mike's wedding reception a screaming success. We had many compliments on the food and I thought that the presentation and service was prompt and professional.

In Veronica's absence, Marge stepped in and carried on without missing a beat. I really appreciated the extra effort to have face-to-face contact with the Clarion staff.

My hat is off to all of you and I will be spreading the word of your services.

Sincerely,

Mardi

Hey Bill

Just wanted to compliment your staff and delicious food that was served at our volunteer appreciation event on april 15th - there were TONS and i mean TONS of compliments on the great tasting food! and the presentation was wonderful as well.

Was there a difference in the amount since we needed a few more plates? Please just let me know if there is any more that we owe.

Thank you!!

Bill-

I just wanted to let you know how much we enjoyed working with Blue Moon. The food was fabulous, the presentation everything we had imagined , the service outstanding and very professional. I appreciated Eliza's leadership. Everything went off without a hitch. You should be very proud. Thank you for all your hard work to help with our celebration. It was a glorious day.

You guys are the best! We wish you continued success.

Sincerley,
Karen

This sounds great Bill. Sorry I will miss it.
On another note...you did my nieces wedding last Saturday in Newton and the food was great and your servers "stellar".

My Mother-in-law mailed a check out yesterday. Thanks for all your help, you guys did an amazing job! The owner of the catering company I worked for for 5 years was there and was also very impressed with you guys. See you in the future
Kyle

Thank you for a wonderful party!
Vera Robl

Good morning Bill,

I just wanted to let you know how awesome your staff and food was for our wedding. Your staff went above and beyond. I can't remember the ladies name that was in charge, but please tell her "thank you" from us and what a pleasure it was working with her and the bartending staff. I've had many compliments on the food and service and would highly recommend anyone using your company for a catering job. We did have plenty of the chopped steak left, along with some green beans, potatoes and bread so we took our leftovers to the Union Resue Mission. Those people were happy to get it and they are in for a big treat once they taste it.

Once again, thanks for all your company did.

Joni Fajardo

P.S. We did however not have any sweet and sour mix but the party went on.

Blue Moon Caterers

Dear Bill,

Thanks so much for the outstanding meal that Blue Moon Caterers provided for our recent Department of Pediatrics sponsored luncheon for the incoming medical students here at KU School of Medicine on June 25th. Everyone was impressed with the quality and taste of the meal. They especially enjoyed the grilled chicken with New Orleans Butter Cream Sauce. Many of the medical students are new to Wichita and asked where they could go to get this great food. I provided them with both Blue Moon Caterers information as well as Red Bean's information.

Thanks for being so accommodating in working with us to design a meal that was both delicious and affordable for a big group. Please mail me some business cards and your menu information so I can provide it to other departments here at the medical school. Many were very interested in your services, based on how well our event went.

I look forward to using your services again and again. It was a pleasure to work with you and your staff.

Sincerely,

Re: Central Christian Academy
2008 Fundraising Banquet

Dear Bill,

The compliments continue even this morning regarding the meal and the service Blue Moon provided at last week's Banquet. The food was delicious and the service was exceptional. Seldom do we hear comments that a caterer's wait staff is fun, helpful and available -- you have a good crew there at Blue Moon.

On behalf of Central Christian Academy, thank you for your patience and flexibility in working through the details of our Banquet. We look forward to working with you again.
